- Complies with ADR 5 - Anchorages for Seat Belts.

Suitable Applications

Please contact your ISRI® dealer for further details.

Safety Warning

The installation of this seat requires the engineering certification relevant to the state or territory in which the vehicle is registered. Engineering advice should be first obtained from a person qualified to certify that the proposed installation will conform with all relevant Australian Design Rules applicable to the vehicle type.

Failure to ensure that the installation conforms to the applicable Australian Design Rules may result in failure of the seat mounting points in the vehicle in an accident and consequent possible serious injury to the occupants.
